[Condor✈️Dial→Now]Condor Seat Upgrade Options and How to Move to Premium Economy or Business Class

Securing a seat upgrade on Condor ✆+44-808-196-2756 [UK | is one of the most effective ways to transform your travel ✆+44-808-196-2756 [UK | experience from a standard journey into a genuinely comfortable one +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), and the airline offers multiple pathways for passengers who want to move from economy to premium economy or business class depending on their original ticket type and willingness to pay for add-ons. Condor operates a three-cabin system on its long-haul widebody aircraft +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), consisting of economy class +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), premium economy class +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), and business class +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), while its European short and medium-haul flights typically offer a two-cabin setup with economy and business class. Understanding how these cabins differ and what upgrade options are available for each is the first step toward making an informed decision about whether an upgrade is worth the investment for your specific journey. The most important distinction to grasp is that Condor offers four completely different upgrade mechanisms +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), including advance booking upgrades through My Booking +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), online check-in upgrades +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), auction-based bidding through SeatBoost +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), and last-minute airport or onboard upgrades +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), and

each of these pathways has its own rules +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), timing windows +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), and eligibility requirements that can significantly impact your chances of success.

The primary method for upgrading a Condor seat is through the airline's official upgrade options +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), which encompass four distinct products that passengers can access through the Condor website +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), mobile app +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), or by contacting the airline directly after purchasing an economy ticket. The first option is the advance booking upgrade +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), which allows you to log into My Booking on the Condor website using your name and flight information to secure an upgrade to premium economy or business class at a fixed price +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), provided that seats are available at the time of your request. This option is available from the moment your ticket is issued until shortly before departure +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), and once you complete the purchase +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), the upgrade is confirmed instantly with no waiting period. The second option is the online check-in upgrade +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), which becomes available starting twenty-four hours before departure and allows you to enhance your travel experience by selecting premium economy or business class if seats are still available. The third option is the SeatBoost auction +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), which allows you to bid on remaining seats in premium economy or business class through the SeatBoost app or website until approximately one and a half hours before departure. The fourth option is the last-minute upgrade +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), which can be requested at the airport check-in counter or even onboard the aircraft after

speaking with the cabin crew +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), depending on availability.

For passengers who prefer certainty over gambling on a bid +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), the advance booking upgrade is generally the best choice because it eliminates the uncertainty of the auction system and guarantees your premium seat immediately upon payment. The price for an advance booking upgrade is set by Condor based on factors including your original booking class +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), the specific route you are flying +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), current demand +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), and how full the premium cabin is +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), which means that the same upgrade on the same route can cost different amounts depending on when you look and what fare type you originally purchased. As a general guideline +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), upgrading from economy to premium economy on a long-haul route like Frankfurt to New York typically costs between two hundred and four hundred euros +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), while upgrading from economy to business class ranges from five hundred to over one thousand euros depending on seasonality and demand. Travelers who monitor their bookings regularly after purchase often find that advance booking prices are lower than last-minute options +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), and pouncing on a favorable price as soon as it appears is a smart strategy because popular routes during peak seasons can sell out of upgrade inventory quickly. One important detail is that early upgrades grant you the full baggage allowance of the higher cabin +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), while last-minute upgrades at the airport do not include increased baggage allowance +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), making advance booking particularly valuable if you are traveling with significant luggage.

The SeatBoost auction system is where many savvy travelers find the best value +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), because if your bid is accepted +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), you can secure a premium cabin for a fraction of what a full ticket would cost +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), and if your bid is rejected +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), you pay nothing and simply remain in your original economy seat. When placing a bid +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), you download the SeatBoost app or visit the SeatBoost website +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), enter your booking code and name +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), and immediately see whether auctions are available for your flight. Auctions start twenty-four hours before departure and end approximately one and a half hours before departure +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), giving you a window to place and adjust your bid based on competition from other passengers. You can bid free of charge during the auction +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), and only if you win do you pay the amount you bid for the higher travel class. Your new boarding pass is then displayed digitally +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), allowing you to board directly in your upgraded cabin. One traveler reported winning a SeatBoost bid for four hundred thirty-three dollars on a long-haul flight +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), which was significantly less than the retail business class fare. Another traveler noted that bidding strategically and monitoring the auction closely can improve your chances +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), because the system allows you to adjust your bid in real time as other passengers place their offers. The key to success with SeatBoost is placing a competitive bid early and being willing to increase it if you see strong competition +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), while still staying within a budget that represents good value compared to the full fare.

For passengers who prefer to wait until the last minute +44↛808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), Condor offers airport and onboard upgrades that can sometimes yield surprisingly low prices if premium cabins remain unsold. At the airport +44↛808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), you can inquire about last-minute upgrades at the check-in counter during the check-in process +44↛808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), and if vacant seats are available in the higher travel class +44↛808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), the airline may offer you an upgrade at a negotiated price. For onboard upgrades +44↛808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), the cabin crew will notify you if premium economy or business class seats are still available after boarding +44↛808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), and you can request an upgrade directly from the crew. It is important to note that for onboard upgrades +44↛808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), only card payment is accepted +44↛808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), so you must have a valid credit or debit card with you. Airport and onboard upgrades are subject to seat availability and are not guaranteed +44↛808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), so relying on this strategy for critical travel is risky. However +44↛808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), for flexible travelers who are willing to take a chance +44↛808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), these last-minute options can occasionally deliver exceptional value +44↛808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), particularly on flights that are not fully booked in the premium cabins.

The onboard experience that awaits you after a successful upgrade varies significantly depending on whether you move to premium economy or business class +44↛808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), and understanding these differences helps you decide which upgrade target is worth pursuing. Premium economy on Condor is available on all long-haul flights and flights to Dubai

+44↛808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), featuring sixty-four seats in the Airbus A330neo with more legroom +44↛808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), greater recline +44↛808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), individually adjustable footrests and headrests +44↛808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), a large personal monitor with premium entertainment +44↛808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), a travel kit with welcome gift and headphones +44↛808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), and a premium menu with snacks and beverages including sparkling wine service after take-off on the A330neo. Business class on long-haul flights features lie-flat seats +44↛808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), lounge access at all participating airports +44↛808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), a priority package +44↛808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), free seat reservation +44↛808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), more checked and carry-on baggage plus one piece of sports baggage up to thirty kilograms +44↛808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), a large personal monitor with exclusive entertainment +44↛808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), and an exclusive selection of food and beverages with a welcome drink. On short and medium-haul flights including those to and from Dubai +44↛808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), business class provides a free middle seat for more space rather than a lie-flat bed +44↛808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), along with the other business class amenities. The Prime Seats in the front row of the Airbus A330neo offer even more space +44↛808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), larger reclining seats +44↛808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), expanded legroom +44↛808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), special travel kits +44↛808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), cozy pajamas +44↛808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), a shared table for couples +44↛808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), a twenty-four-inch screen with

4K resolution +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), and an included internet package +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), representing the pinnacle of Condor's premium offering.

There are several important restrictions and limitations to keep in mind when planning a Condor seat upgrade. First +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), upgrade options are only available on Condor flights with the DE code +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), so if your journey includes connecting flights operated by partner airlines such as Lufthansa or Alaska Airlines +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), you cannot upgrade those segments through Condor and must contact your travel agency or the operating carrier directly. Second +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), additional services already paid for in your original travel class cannot be refunded when upgrading +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), which applies to all upgrade types including advance booking +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), SeatBoost +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), and last-minute upgrades. Third +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), no increased baggage allowance is granted for last-minute upgrades at the airport or onboard +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), so if baggage is important to you +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), booking your upgrade in advance is essential. Fourth +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), if you booked your holiday through a travel agency or tour operator and your connection includes a feeder or connecting flight +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), you must contact your travel agency or tour operator to arrange an upgrade rather than handling it through Condor directly. Fifth +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), upgrades are subject to seat availability and are not guaranteed +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), so even if you place a SeatBoost bid or inquire at the

airport +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), there is no certainty that a premium seat will be available. Sixth +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), the pricing for upgrades varies depending on the offer and route +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), and Condor does not publish fixed upgrade prices +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), so you must check My Booking or contact the service center for the actual surcharge on your specific flight.

For travelers considering whether to upgrade with cash through advance booking +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), SeatBoost bidding +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), or last-minute airport purchase +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), the math depends heavily on your personal circumstances and risk tolerance. Advance booking upgrades through My Booking often provide the best pure value when the price is under three hundred euros for premium economy or under seven hundred euros for business class on long-haul flights +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), because you are paying a fraction of the retail business class fare while receiving the full premium onboard experience plus the increased baggage allowance. SeatBoost bids can yield exceptional value if you win at the lower end of your budget +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), but they carry the risk of rejection and the stress of monitoring the auction. Last-minute airport upgrades are the most unpredictable option and should only be considered if you have no other choice +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), because prices are typically higher than advance booking and availability is uncertain. The worst value proposition is usually waiting until the airport to upgrade on a heavily booked flight during peak season +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), because at that point premium cabins are almost certainly full and you will be stuck in economy regardless of your willingness to pay.

The timing strategy for securing a Condor upgrade depends heavily on which pathway you are using and how risk-tolerant you are as a traveler. For advance booking upgrades +44↛808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), the best strategy is to monitor My Booking regularly after purchase and act quickly when a favorable price appears +44↛808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), because inventory is limited and can disappear rapidly +44↛808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), especially on popular routes during summer holidays and Christmas. For SeatBoost auctions +44↛808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), downloading the app and setting a reminder for exactly twenty-four hours before departure ensures you are among the first to bid when the auction opens +44↛808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), and checking the auction repeatedly during the final hours allows you to adjust your bid if competition increases. For online check-in upgrades +44↛808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), checking the Condor website or app exactly when the twenty-four hour window begins gives you the first chance at any last-minute inventory that has been released at reduced prices. For airport upgrades +44↛808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), arriving at the airport with ample time before departure and being among the first to inquire at the check-in counter improves your chances +44↛808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), though this strategy is unreliable and should not be counted on for critical travel.

Passengers who hold elite status with airline partner programs may receive additional benefits on Condor flights depending on the specific partnership agreement +44↛808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), though Condor does not operate its own traditional frequent flyer program with tier-based upgrade benefits. The airline is part of the Miles and More program through its partnership with Lufthansa +44↛808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), which means that Miles and More members can earn and redeem miles on Condor flights +44↛808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), but upgrade benefits are tied to the specific fare

conditions and availability rather than automatic status-based upgrades. For passengers who do not hold status +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), the best way to maximize value is to book flexible economy fares that are eligible for upgrades +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), monitor upgrade prices regularly after booking +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), and be prepared to act quickly when favorable offers appear.

The overall value proposition of a Condor seat upgrade depends on what you prioritize in your travel experience and how much you are willing to invest to achieve it. For passengers who simply need more legroom and a slightly wider seat to survive a long flight from Frankfurt to New York or Frankfurt to the Caribbean +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), premium economy offers a meaningful improvement over economy at a relatively modest price point +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), and the upgrade cost is often justified by the enhanced sleep quality +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), better dining +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), and reduced physical strain upon arrival. For travelers who want the full premium experience including lie-flat beds +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), lounge access +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), gourmet dining +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), and priority service throughout their journey +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), business class represents a transformative upgrade that can turn a dreaded long-haul flight into a genuinely enjoyable part of the trip. The Prime Seats offer an even more exclusive experience for those willing to pay a premium for maximum space and luxury. The key is to approach upgrades strategically rather than impulsively +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), understanding your fare rules +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), monitoring availability +44⇢808→196➞2756 {UK}

+1☛866↯5⑥4↯1122(USA), and calculating the true cost in cash before making a commitment +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), because with proper planning and a bit of flexibility +44⇢808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), most Condor passengers can find an upgrade path that fits their budget and elevates their travel experience to a level that makes the journey as memorable as the destination.

What is the difference between Condor advance booking upgrade and SeatBoost auction?

Condor advance booking upgrades and SeatBoost auctions are two fundamentally different products that cater to different traveler preferences and risk tolerances. The advance booking upgrade allows you to log into My Booking on the Condor website and purchase an upgrade at a fixed price using a credit card +44↛808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), with confirmation happening instantly if seats are available. This option is available from booking until shortly before departure and provides certainty +44↛808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), immediate gratification +44↛808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), and the full baggage allowance of the higher cabin. SeatBoost +44↛808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), on the other hand +44↛808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), is an auction-based system where you bid on remaining seats in premium economy or business class through the SeatBoost app or website +44↛808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), with auctions starting twenty-four hours before departure

and ending approximately one and a half hours before departure. If your bid is among the highest +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), you win the upgrade and pay your bid amount +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), but if your bid is too low +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), you pay nothing and remain in economy. The advance booking upgrade provides certainty and full benefits but may cost more than a successful bid +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), while SeatBoost offers the potential for significant savings but carries the risk of rejection and the stress of monitoring the auction.

Can I upgrade my Condor flight at the airport or onboard?

Yes +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), Condor provides the opportunity for last-minute upgrades directly at the airport and even onboard the aircraft +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), subject to seat availability. At the airport +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), you can inquire about upgrades at the check-in counter during the check-in process +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), and if vacant seats are available in premium economy or business class +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), the airline may offer you an upgrade at a negotiated price. For onboard upgrades +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), the cabin crew will notify you if premium seats are still available after boarding +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), and you can request an upgrade directly from the crew. It is important to note that for onboard upgrades +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), only card payment is accepted +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), so you must have a valid credit or debit card with you. Additionally +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), no increased baggage allowance is granted for last-minute upgrades at the airport or onboard +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), so if you are traveling with significant luggage +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), booking your

upgrade in advance through My Booking is strongly recommended to receive the higher baggage allowance.

What happens if I booked through a travel agency and want to upgrade my Condor flight?

If you booked your Condor flight through a travel agency or tour operator +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), your ability to upgrade depends on whether your itinerary includes any feeder or connecting flights operated by partner airlines. If your booking does not include any connecting flights +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), you can log into My Trip on the Condor website using your booking number and directly book an upgrade to premium economy or business class if seats are still available. However +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), if your connection includes a feeder or connecting flight operated by a partner airline such as Lufthansa or Alaska Airlines +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), you must contact your travel agency or tour operator to inquire about available seats in a higher travel class and the cost of an upgrade. Condor cannot process upgrades for segments operated by partner airlines through its own systems +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), so the travel agency or operating carrier must handle these requests.

Does a Condor upgrade include increased baggage allowance?

Whether a Condor upgrade includes increased baggage allowance depends entirely on when and how you purchase the upgrade. If you book your upgrade in advance through My Booking or during online check-in +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), you receive the full baggage allowance associated with your new travel class +44↠808→196➞2756 {UK} +1☛866↯5⑥4↯1122(USA), which means premium economy and business class passengers get more checked and carry-on baggage than economy passengers. However +44↠808→196➞2756 {UK}

+1☛866↯5⑥4↯1122(USA), if you purchase a last-minute upgrade at the airport or onboard the aircraft +44⇢808→196⟶2756 {UK} +1☛866↯5⑥4↯1122(USA), no increased baggage allowance is granted +44⇢808→196⟶2756 {UK} +1☛866↯5⑥4↯1122(USA), and you retain the baggage allowance of your original economy ticket. This is a critical distinction for travelers who are considering waiting until the airport to upgrade +44⇢808→196⟶2756 {UK} +1☛866↯5⑥4↯1122(USA), because the savings from a last-minute deal may be offset by the need to pay excess baggage fees if you have more luggage than your original economy allowance permits. For this reason +44⇢808→196⟶2756 {UK} +1☛866↯5⑥4↯1122(USA), early upgrades are worthwhile if baggage is a priority for your journey.
